ASTROPHYSICAL OBSERVATORY INTERNATIONAL CATALOGUE OF SCIENTIFIC  
LITERATURE SMITHSONIAN INSTITUTION *Washington, U.S.A* . January 21, 1920. Dear  
Doctor Bell:

I am taking the liberty of referring to you the accompanying letter on the rearing of a boy,  
knowing that you have taken a great interest in such matters and in the hope that you will  
be kind enough to refer the lady to some information on the subject.

Very truly yours, E G Abbot Assistant Secretary. Dr. A. Graham Bell, 1331 Connecticut  
Avenue, Washington, D. C.
